

PUBLIC NOTICE:
Proposed Changes to Clark County Code
RE: Title 10, Title 18, & Title 30

The Clark County Board of Commissioners is proposing rule changes to Clark County Code to change the posting requirements related to animal tagging, vaccination, and sterilization. There will be new requirements for those who own potbellied pigs and/or pet rabbits in regards to sterilization and tagging. Changes have been made by adding limitations on the number of owned household pets as well as changes that distinguish the difference between household pets and exotic or wild animals. These proposed changes also involve new stipulations for breeder/show permits and fancier/foster permits as well as new regulations related to the impoundment of animals and the disposal of dead animals. Finally, there are also amendments to tethering laws and keeping animals outdoors.

The proposed rule will modify Clark County Code Title 10, Chapters 10.04, 10.08, 10.12, 10.16, 10.18, 10.20, 10.24, 10.28, 10.30, 10.32, and 10.36; Title 18, Chapter 18.30; and Title 30, Chapters 30.08, 30.16, and 30.44 to change provisions related to the governance of animals in the unincorporated areas of Clark County. Please note that there are some provisions in Title 10 that appear to be new but are in fact, being moved to accommodate the additions and changes. The proposed rule is attached to this public notice, and is available for viewing at www.ClarkCountyNV.gov.

Prior to the adoption of the proposed rule, the Clark County Board of Commissioners is required by NRS 237.080 to make a concerted effort to determine whether the proposed rule will impose a direct and significant economic burden upon a business or directly restrict the formation, operation or expansion of a business. Due to this, trade associations, owners and officers of businesses which are likely to be affected by this proposed rule, and any other interested persons are required to be notified and provided an opportunity to submit comments, data, or arguments to the County regarding whether the proposed rule will:

- a) Impose a direct and significant economic burden upon a business; or
- b) Directly restrict the formation, operation or expansion of a business.
